How to Book an Appointment

We take bookings in the following ways:

- By telephone 01245 471888
- By Whatsapp (or text) message 07570493774
- By email beauty@justpampered.co.uk
- Through the enquiry form on our website www.justpampered.co.uk
- Via facebook message www.facebook.com/JustPamperedBaddow.

We aim to be responsive through all methods of communication but if you require an appointment on the day, the most direct channel is through WhatsApp or by phone. Even at short notice it is always worth checking our WhatsApp status for cancellations or giving us a call, as there may be something we can arrange for you.

Please save our salon mobile number to your contacts to view our statuses and catalogue of services

If you like to have a regular appointment, we recommend booking in person at your appointment, to secure your booking for the next visit, or next couple of visits.

All staff monitor the phone and when we are all in treatment we may not be able to answer straight away. We are very responsive and check between clients, so please do leave a voicemail.

If you are not comfortable leaving a voicemail, please consider sending a Whatsapp or text, so we know you are trying to reach us.

Cancellations

When you book an appointment with us we make a mutual agreement that you will arrive on time and for the complete appointment that you have booked. We realise there are sometimes unavoidable circumstances which mean you are no longer able to keep your appointment. We ask that you provide a minimum of 24 hours notice if you are unable to make your appointment time.

Coronavirus Update: If you wake up on the day of your appointment feeling unwell, please do not travel to the salon. Please let us know at the earliest opportunity through text, email or by leaving us a voicemail for when we are open. This gives us a chance to potentially fill your space.

Transfer of Appointment

Should you find you are unable to make your appointment at very short notice, you may also transfer your appointment time to a friend or family member to fill your spot. Please contact the salon to inform us of the name change.

No Shows

We have never introduced a year-round cancellation fee and do not wish to start now. However, no shows are the biggest drain on our resources and would be the sole reason for introducing fees in the future. Clients who have previously missed or given less than 24 hours notice for cancellation on two or more appointments will be required to pay a 50% non transferable booking fee to secure their next appointment. If this is missed, the fee will be forfeited and no future bookings will be made without securing a new booking fee. We would hate for this to happen to any of our clients but we also hate turning other people away for an appointment when, had we known, we could have booked them in all along.

Late Arrival

Please arrive promptly for your appointment. If it is your first visit, please arrive 5 minutes prior to your appointment time to give enough time to complete a form. If you arrive late for your appointment time, your treatment will be assessed and reduced accordingly to ensure we finish on time for the next guest. You will be charged at the full rate.

Booking Fees

We reserve the right to charge a 25% booking fee on bookings over two hours or during peak season. This is a non refundable charge which will be deducted from your final treatment bill. If you cancel or move your booking with less than 48 hours notice you will forfeit the fee and be charged for the appointment in full.

Pamper Day Bookings

A 25% booking fee will be taken for parties of three or more and will only be refunded if you give at least seven days notice to amend or cancel the booking.

Patch Testing

We require a patch test 24 hours prior to treatment for tinting, perming, lash lift and Definibrow. Your eyes and your health are an absolute priority and we are therefore strict on this policy. If you have not received a patch test from us for the service in the last six months we will need to carry out a new test.

Aftercare

Aftercare is important to get the most from your treatment. Your therapist will advise you what to do and there are full treatment documents to download on each treatment page of our website, or via the QR code within the salon.

Gel Polish Aftercare

Please note, we have noticed that with the volume of hand washing and increased use of hand sanitisers and cleaning products, that we have seen a disruption to the longevity of gel polish hand treatments. Even amongst our team of staff we have some who have up to ten days wear and others who are lucky to get three days. The results will greatly depend on the natural structure and condition of the nail, how naturally oily the nail plate is, the level of chemicals

used, the amount of hand washes they experience in a typical day and so on. Please bear this in mind when planning your manicure for a special occasion. We cannot guarantee the longevity of a gel polish on hands, but you can help it last longer by massaging a nail oil in daily.

Age Restrictions

We are unable to offer lash lifting, tinting or intimate waxing to anyone under 16.

We are unable to offer gel polish services to anybody under aged 14.

For those who are aged between 14 and 16 and require a gel polish treatment, a parent is required to attend the appointment to sign a form and remain in the treatment room throughout the treatment.

For any customer under the age of eighteen, we require a parent to attend the appointment to sign a form and remain on the premises during the first appointment of each new treatment to give full consent

Child Policy

We understand balancing childcare can be tricky but ask that you fully respect our other guests and refrain from bringing children without prior permission from management. If you do need to bring your child with you, management will ensure your appointment does not coincide with services that could lead to a disruption for other guests.

Right to Refuse Service

The management reserve the right to refuse service to anyone who has:

- Created a safety issue in or within close proximity of our premises
 - Shown threatening or rude behaviour to our staff or customers
 - Regularly cancelled last minute or not shown at all
 - An unpaid bill or cancellation fee owed
 - Has a medical condition which contra-indicates the treatment. Your health is a priority to us
- We will never discriminate on the grounds of a persons race, religion, sex or other protected characteristics.

Complaints Procedure

Our aim is to provide professional, quality treatments, always and we strive to achieve this. If for any reason you are dissatisfied, please contact us immediately at the salon or within 48 hours of your treatment. We will need to see you in person or receive a photograph of the problem in order to address the situation fairly. All complaints are logged, recorded and analysed to make sure things are put right wherever needed and we learn from your feedback. Complaints are rare but we take them seriously.

Staff Absence

In the unfortunate event that your therapist is absent we endeavour to provide adequate cover. You will be given the choice to move your appointment to an alternative therapist at the closest

available time to your original appointment slot. If you choose instead to cancel or wait for the return of your therapist your booking fee will be refunded or carried forward.

Charity

We allocate a fixed amount for charity donations each year, so please do not be offended if we can't support you on this occasion. That said, we always try to support local community based projects and charities so it is always worth enquiring.

Gift Vouchers

Gift Vouchers are available for any monetary value towards treatments or written for a particular treatment.

We are also able to create a gift voucher package with the recipient in mind and suited to your budget. This will include a gift voucher for treatment and a product to take away and use at home. This gives the lucky recipient a present to open in addition to the voucher treat. We are able to create a gift to suit you, with body care, facial products, nail care or self care candles and diffusers.

Order and Collect Service

If you wish to collect a voucher, please call ahead to arrange a slot so we can ensure somebody is available to assist you immediately. We all manage the reception between treatments, so if you do arrive without appointment we may all be in treatment and would hate for you to be kept waiting.

Gift Voucher Terms and Conditions
